**Response Pursuant to 37 C.F.R. § 1.116**

Sir:

In response to the final Office Action mailed April 18, 2007, please amend the above-identified application as follows:

**Amendments to the Claims** begin on page 2.

**Remarks/Arguments** begin on page 6.

The agent for the Applicant contacted the Examiner on July 6 to explain the previously presented dependent claims 22-24 and hope the Examiner would look at the arguments below. No new search is believed necessary if the Examiner would allow at least these claims re-written in independent form. Moreover, the independent claims are believed allowable and Applicants hope the Examiner would provide a response and not issue a cursory Advisory because of a modification to dependent Claim 25 because Claim 7 already has the limitation.
